Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Saturday 25 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A warm weekend for all. More unsettled next week.

This Evening and Tonight:
A cloudy night, with some low cloud, hill fog, and patchy light rain and drizzle at times, mainly on the hills. Another mild night for the time of year, with light winds too. Minimum temperature 14 deg C (57 deg F).

Sunday:
After a cloudy start it will brighten up for many, with some warm sunny spells developing by the afternoon. The winds will strengthen during the day, particularly through the evening. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Heavy rain and strong winds during the early hours of Monday will quickly clear to sunshine and showers. Further rain is likely on Tuesday. Drier on Wednesday. Feeling much cooler.
